INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Students for Sensible Drug Policy Foundation and Affiliate

We have audited the accompanying consolidated financial statements of Students for Sensible Drug Policy Foundation and Affiliate (collectively, SSDP), which comprise the consolidated statements of financial position as of December 31, 2014 and 2013, the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditor's Responsibility (continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of SSDP as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information included on pages 12-17 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements December 31, 2014 and 2013

1. Nature of Operations

The accompanying consolidated financial statements include the accounts of the Students for Sensible Drug Policy Foundation ("SSDP Foundation") and Students for Sensible Drug Policy, Inc. ("SSDP, Inc.").

SSDP Foundation engages in education and outreach and is committed to providing education on harms caused by the War on Drugs, working to involve youth in the political process, and promoting an open, honest, and rational discussion of alternative solutions to our nation's drug problems.

2. Summary of Significant Accounting Policies

Principles of Consolidation

SSDP Foundation has a controlling financial interest in SSDP, Inc. Significant balances and transactions between SSDP Foundation and its affiliate have been eliminated in the consolidation. Except when referred to separately, the entities are collectively referred to as "SSDP" throughout the accompanying consolidated financial statements and related notes.

Basis of Accounting and Presentation

The consolidated financial statements are prepared on the accrual basis of accounting. Net assets are reported based on the presence or absence of donor-imposed restrictions, as follows:

- *Unrestricted net assets* represent funds that are not subject to donor-imposed stipulations and are available for support of SSDP's operations.
- *Temporarily restricted net assets* represent funds subject to donor-imposed restrictions that are met either by actions of SSDP or by the passage of time. There were \$7,000 and \$0 in temporarily restricted net assets at December 31, 2014 and 2013, respectively.

Cash Equivalents

SSDP considers as cash equivalents all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of 90 days or less at the time of purchase.

Notes to Consolidated Financial Statements December 31, 2014 and 2013

2. Summary of Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable are recorded at net realizable value. Uncollectible accounts are written-off in the year in which they are identified. SSDP does not maintain an allowance for doubtful accounts, but does monitor and estimate the amount of any uncollectible balances throughout the year.

Property and Equipment

Property and equipment with a cost in excess of \$1,000 and a projected useful life exceeding one year are capitalized and recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from three to five years. Upon the retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the respective accounts, and the resulting gain or loss is included in revenue or expenses. Repair and maintenance costs are expensed as incurred.

Revenue Recognition

All contribution revenue is considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily or permanently restricted support that increase these net asset classes. When a donor restriction expires, that is, when a purpose restriction is accomplished or time restriction has elapsed, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions.

Revenue from conferences and programs is recognized at the time the events are held, with any amounts received in advance deferred until that time.

Revenue from other sources is recognized when earned.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Notes to Consolidated Financial Statements December 31, 2014 and 2013

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Subsequent Events

In preparing these consolidated financial statements, SSDP has evaluated events and transactions for potential recognition or disclosure through September 25, 2015, the date the consolidated financial statements were available to be issued.

3. Concentration of Credit Risk

Financial instruments that potentially subject SSDP to significant concentrations of credit risk consist of cash and cash equivalents. SSDP maintains various cash deposit and transaction accounts with various financial institutions that from time to time could exceed insurable limits under the Federal Depository Insurance Corporation (FDIC). SSDP has not experienced any credit losses on its cash and cash equivalents to date as it relates to FDIC insurance limits. Management periodically assesses the financial condition of these financial institutions and believes that the risk of any credit loss is minimal.

4. Property and Equipment

Property and equipment consists of the following at December 31:

	 2014	 2013			
Property and equipment Less: accumulated depreciation	\$ 19,990 (15,179)	\$ 18,275 (13,510)			
Property and equipment, net	\$ 4,811	\$ 4,765			

Notes to Consolidated Financial Statements December 31, 2014 and 2013

5. Loan Payable

During 2013, SSDP entered into a loan agreement with Multidisciplinary Association for Psychedelic Studies in order to fund general operations. The loan was for \$40,000 with an interest rate of 5% per annum for a period of five months. SSDP repaid the loan, in full on January 10, 2014, with interest totaling \$189.

6. Temporarily Restricted Net Assets

Temporarily restricted net assets were \$7,000 and \$0 at December 31, 2014 and 2013, respectively. Temporarily restricted net assets were time restricted for an event taking place in September of 2015.

7. Commitments and Contingencies

Operating Lease

SSDP entered into a lease agreement for office space on January 28, 2012 in Washington, DC. The lease term was for two years, commencing on February 9, 2012 and expired on February 28, 2014. On February 26, 2014, SSDP entered into a new lease agreement for the same office space in Washington, DC. The lease term is for two years with an option to extend for an additional two years. The new lease commenced on March 7, 2014 and expires on March 31, 2016. The lease has a base rent escalation term of 3% per year.

Rental expense is recognized on the straight-line basis, and the excess of rental expense recognized over cash payments is presented as deferred rent in the consolidated statements of financial position. SSDP is also responsible for its proportionate share of operating costs. Rent expense totaled \$28,585 and \$26,401 for the years ended December 31, 2014 and 2013, respectively.

Future minimum lease payments for the above lease are as follows for the years ending December 31:

2015	\$ 31,902
2016	8,034
Total future minimum lease payments	\$ 39,936

Notes to Consolidated Financial Statements December 31, 2014 and 2013

7. Commitments and Contingencies (continued)

Hotel Agreements

Meetings and conferences are held by SSDP at various hotels throughout the United States. These events are contracted with the hotels in advance. In the event that SSDP cancels its agreements with the hotels, it can be held liable for liquidated damages up to the amount of lost profit less the hotel's mitigation, depending upon the date of cancellation.

8. Income Taxes

SSDP Foundation and SSDP, Inc. are exempt from payment of taxes on income other than unrelated business income under Sections 501(c)(3) and 501(c)(4), respectively, of the Internal Revenue Code (IRC). No tax expense is recorded in the accompanying consolidated financial statements for the year ended December 31, 2014 and 2013, as there were no significant unrelated business activities. Management evaluated SSDP's tax positions and has concluded that SSDP has taken no uncertain tax positions that require either recognition or disclosure in the accompanying consolidated financial statements.
