

THE WAR ON DRUGS IS A WAR ON US

SSDP is an international grassroots network of students who are concerned about the impact drug abuse has on our communities, but who also know that the war on drugs is failing our generation and our society.

SSDP mobilizes and empowers young people to participate in the political process, pushing for sensible policies to achieve a safer and more just future, while fighting back against counterproductive drug war policies, particularly those that directly harm students & youth.
